Tennis News

The Fall ALTA regular season has now come to a close. Highland Ridge fielded four teams, including a new Sunday women's team, and as usual our squads were quite competitive.

Congratulations in particular to the Highland Ridge B1 men's team for advancing to the ALTA playoffs. As of this writing, they had won their first three playoff matches and were moving on to the City Finals. The championship match will be played on Saturday, November 8 starting at 9am at the Blackburn Tennis Center (3501 Ashford Dunwoody Rd; Atlanta 30319). The opponent will be the Clayton County Tennis Center. Stop by and cheer on the Highland Ridge men as they compete for the City Championship!

The Winter Mixed ALTA seasons will begin play in early January. This season's captains will be Peter Abbey (A-7) and Rick Franzman (B-9). Bundle up and come out to root on these teams, which play on Sunday afternoons through February.

The Highland Ridge tennis courts will be resurfaced (repainted) within the next couple weeks, weather permitting. The courts will not be available for play for a 3-5 day period; I appreciate your patience as we take care of this important maintenance activity. We need sunshine and temperatures near 70 degrees to complete the work. Are you new to the neighborhood, or just have questions about Highland Ridge tennis? For Sale:

We have three Lassiter sweatshirts that we would like to sell. They are all size extra large. None are hooded. One is maroon with gold stitched lettering on the left side in small capital letters saying LASSITER. One is grey with large maroon printed lettering LASSITER FOOTBALL surrounding a printed football. These two have been worn/washed once and we would like \$10 each. The third one still has the tags on it and is more like a cranberry maroon color and has large black and gold LASSITER TROJANS BASEBALL printed on it. We would like \$15 for this one. Please contact us at jachanin@bellsouth.net or mchanin@bellsouth.net. Thank you.

Off-White 4-piece sofa set; mint condition. Includes:
