Did we also get a quote from [REDACTED] Tree Service the company that has done a ton of work on our street and has always been the best price. He cut the tree in your yard also. Just want to be sure since [REDACTED] cut a tree and carried it off for [REDACTED] when two other companies wanted [REDACTED]. I'm happy to get a quote in next day to try and save some money for the neighborhood.

If you agree, and someone makes a motion and everyone votes yea or nay we will have the trees and debris removed by [REDACTED].

If you have any questions please let me know.
